

NEUROLOGY REFERRAL LETTER

National Hospital for Neurology

Queen Square

London WC1N 3BG

Date: 21/11/2019

Dear Colleague,

Re: Referral for MRI brain and neurovascular assessment.

Clinical history: Incidental finding of unruptured brain aneurysm (3 mm, right MCA) on prior imaging.

Patient asymptomatic.

Recommendation: Annual MRI surveillance. Neurosurgical opinion if growth > 5 mm.

Yours sincerely,

Consultant Neurologist
